2/20/84 MADISON SQUARE GARDEN, NEW YORK CITY, NEW YORK
Jose Luis Rivera W. Charlie Fulton (By pin, with a Small Package Cradle.)
Mike Sharpe W. Brian Blair (By pin, with leverage, from the ring ropes.)
The Wild Samoan #1 (Afa) W. Tony Garea (By pin, with a Diving Head-Butt, to the head.)
The Iron Sheik W. Eddie Gilbert (By submission, with a punishing Camel Clutch Hold.)
Roddy Piper & David Shultz W. The Invaders #1 & #2 (Piper pinned The Invader, after Shultz came off the ring ropes/corner turnbuckle, with a fantastic Flying Elbow Drop, on The Invader. This was a very hard fought match, with both teams looking good. Piper puts forth one hell of a match, no matter what.)
Tito Santana W. The Magnificent Muraco -C.O.R. (The end came, when Tito nailed The Magnificent One, with a fantastic Flying Forearm Smash. This move sent Muraco sailing. Muraco, then, got his head/neck caught between the top two ring ropes. Muraco's body was out of the ring. The Magnificent One was stuck in a very bad situation, on and over the outside ring apron area, body wise. The referee did not help Muraco out of this jam, but counted him out, outside of the ring. Muraco was in a big mess, indeed. Tito, of course, was declared the proud victor, Santana looked good in this bout, but Muraco looked better. The Magnificent One is a great wrestler, to say the least.)
Andre The Giant W. The Masked Superstar (By pin, with a Giant Sit-Down Splash, after a big kick, to the upper body. The Superstar is a very good grappler, but he could not overcome The Giant.)
Hulk Hogan W. Paul Orndorff -C.O.R. (At the finish, Hogan sent Paul flying out of the ring, over the ring rope, via a Fabulous Giant Back Body Drop. Orndorff was then out of the ring, on the arena floor, and was counted out, outside of the ring, by the referee. The Hulk looked alright in this match, and took a tremendous beating from Paul. Orndorff gave Hogan all he had. Paul delivered a devastating Pile-Driver, which was great.)Paul, also, gave Hogan a vicious clothesline. Orndorff looked terrific in this bout, and The Hulk looked good, but not up to snuff. The Hulk was very lucky that he won this exciting bout.)
Jimmy Snuka W. The Wild Samaon #3 (Sam) (The finale went like this: Snuka executed a High Vertical Suplex on Sam. Snuka, then, pinned The Samoan, with a Leg Cradle, after delivering a sensational Flying body press, off the top ring rope/corner turnbuckle. Jimmy always looks good, and puts forth a great effort.)

Ivan Putski & Rocky Johnson & Tony Atlas W. Mr. Fuji & Tiger Chung Lee & Sgt. Slaughter (This was a wild match, with the end coming out like this: Fuji got into an altercation, with The Sarge, and struck him. The Sarge then got angry, and pushed The Japanese Mat Man, into Putski, who delivered his Bone-Crushing Polish Hammer. Fuji, of course, was pinned by The Big Pole. The Sarge then became friends with Ivan, Rocky and Tony, then left the ring with them, to the cheers of the happy spectators.)

Rocky Johnson & Tony Atlas VS. The Wild Samoans #1 (Afa) & #2 (Sika)

TRIP TO FLORIDA,
BY
KENNETH LEVITT

2/12/84 THE EDDIE GRAHAM SPORTS STADIUM, ORLANDO, FLORIDA
Penny Mitchell & Despina Montagus W. Lei Lani Kai & Judy Martin (Mitchell pinned Kai with a well executed Sunset Flip Cradle, off the ring ropes. During this match, there was a lot of wild action. Both teams looked very good, throughout the entire match.)
Kendo Nagasaki W. Dennis Brown (The end of this match occurred as follows: Both men were fighting outside the ring on the arena floor. As this action was going on Kendo's Manager Jimmy Holiday, was on the outside ring apron distracting the referee. Finally, both men got into the ring, to continue their fierce battle. Brown tried to ram Kendo into the ring corner, but The Oriental Giant was able to reverse it. Brown, then, fell to the mat floor. Kendo, then, gave Brown a knee to the chest area. Kendo, then, hooked Brown's legs for a pinning combination. During the match, Kendo used his mysterious green mist, that he blows from his mouth. This match had a lot of action, through and through. Brown looked good during this match, but Kendo looked great.)
Hacksaw (Jim) Duggan & The One Man Gang W. Joe Lightfoot & Mike Davis (Duggan pinned Davis, after The Gang gave Davis a foot to the upper chest/throat area.)
Hector Guerrero W. Joe Lightfoot (This match started off with a bang. Hector was originally, to fight Mike Graham, but the ring announcer, Bruce Tharpe, announced that Mike could not make it to the arena, because he could not get a plane out of Atlanta, Georgia. This announcement made Hector very mad. He was standing in the ring with no opponent. Hector, then, got hold of the microphone and said a few choice words about Mike. He then challenged anybody in the building, to fight him. Joe Lightfoot came running from the dressing room, to accept his challange. During this match, each athlete tried everything he could think of, to down the other. The finale came, when Joe tried a Roll Over Pin, but Guerrero was able to reverse it, and pin Lightfoot. When the decision was announced, that Guerrero was the winner, Joe got very upset, and went wild. Joe threw Hector to the ring ropes. Guerrero, then, came off the ropes, and Joe gave him a chop to the upper chest/throat area. Both Men looked extremly good in this very rough battle.)
Mike Rotundo W. Black Bart (Texas Bunkhouse Match: Mike won this match, by pinning Bart, after a well executed Sunset Flip Cradle, off the ring ropes. During the match, Bart was bleeding from his forehead. Both men looked very good in mat combat.)

(Continued)

Billy Jack W. Kharma -DQ. (The end of this match occurred as follows: Kevin Sullivan, who was outside the ring, during the match, came up to the outside ring apron and tried to throw salt into Bill's eyes, but missed. The salt, instead, landed in Kharma's eyes. The referee seeing this action, signaled for the bell and disqualified Kharma for outside interference. After the match ended, Billy got a hold of Sullivan. Billy, then, executed a Swinging Full Nelson, and put a lot of presure on the hold. The Referee could not stop this action. A few wrestlers came running from the dressing room, to help the referee break up this wild mess. This match had a lot of action, with Billy showing Sullivan and Kharma who the boss really is.)

Ron Bass W. Barry Windham -C.O.R. (This match started off fast and furious. Barry gave Ron a couple of Dropkicks, sending Bass to the arena floor. During the match, Windham gave Bass a Body Slam and three Atomic Knee Drops, in a row, sending Bass to the mat floor. During the match, both Bass and Windham were fighting on the arena floor. Bass, during this wild encounter, executed a very good Pile-Driver and a Forearm, To the back of the head. Bass and Windham left the ring again, and fought on the arena floor. Bass threw Windham into the wooden Barrier, head first. Barry started to bleed very badly from this action. Windham, finally, regained his composure, and let Bass have it. They, finally, both entered the ring, and went at it like wild tigers. Windham came off the ring ropes, and flew over Bass. Windham, by doing this action, knocked the referee out of the ring. Bass and Windham still went at it. Black Bart came running from the dressing room into the ring, and hit Barry with his boot. He then went back to the dressing room. Windham, after being struck by Bart's boot, fell out of the ring, onto the arena floor. At this point, the referee had gained his composure, and counted Windham out, outside of the ring. Another referee came into the ring, to tell the first referee what had transpired, while he was knocked out of the ring. While the two referees were talking, Barry executed a Sunset Flip Cradle, off the ring ropes. One of the referees, seeing this, took the three count. Everybody in the arena, including Barry, thought he won the match and The Southern Heavyweight Title. Barry left the ring with the belt. Right after he left the ring, the referee raised Ron's hands in a token of victory. The next morning, in the newspaper, the result read that Bass won the match on a count out. This match had a lot of action in it with both athletes looking very good. In the opinion of this writer this was one of the strangest endings I have every witnessed in the years I have been following this great sport of wrestling.)

Sullivan and Hacksaw Duggan came out to speak.
Hacksaw Duggan W. Ron Sexton (Duggan went into the ropes, and held onto it. Sexton tried to Drop-Kick Duggan and missed. Sexton fell to the mat floor. Ron then got up, dazed, not knowing what happened. Duggan seeing that his opponent was dazed, wasted no time, and used a Football Block on Ron, and then pinned him.)
Mike Rotundo & Barry Windham W. Ron Bass & Black Bart (Bart threw Windham out of the ring. At the same time, Bass and Rotundo were slugging it out by the corner Turnbuckle. Barry finally regained his composure, and came into the ring. He gave Bart a Clothesline. He then pinned Bart.)

2/15/84 THE CONVENTION CENTER, MIAMI BEACH, FLORIDA (EVENING)

Dennis Brown W. Anthony Charles
Les Thornton W. Hector Guerrero
Mike Graham & Joe Lightfoot & Mike Davis W. Hacksaw Duggan & The One Man Gang & Black Bart (This match had a lot of action throughout the entire match. The finale came, when Lightfoot pinned Bart, after executing a very good Sunset Flip Cradle, off the ring ropes. Both teams looked superb in mat action.)
Ron Bass DREW Mike Rotundo (During the match, both athletes tried everything in their power to down the other. The finale of this action packed match occurred as follows: Rotundo had Bass in an Airplane Spin. Mike, then, went for a pinning combination. While the referee was taking the pin count, the bell rang to signal the end of the match. The Bell rang before the referee finished his count. The official announcement stated that this match was a time limit draw. Both Ron and Mike looked in very good shape throughout the entire match.)
Dusty Rhodes & Billy Jack W. Kevin Sullivan & Kharma (Texas Tornado Match: Billy picked up Dusty and dropped him on top of Kharma. Rhodes then hooked Kharma's legs for a pinning combination. Both teams looked very good in mat combat.)
Ric Flair W. Barry Windham -DQ. (This match had a lot of action, with both men giving it their all, to try and do the other in. During the match, Flair and Windham were fighting outside the ring, on the arena floor. Both Flair and Windham were bleeding very badly from their foreheads. The referee had a very hard time controlling these two men. The finale came, when Barry knocked the referee down. When the official regained his composure, he signaled for the bell and disqualified Barry for knocking him down. Ric may have won this match on a disqualification, but nevertheless, it was a proud victory.)

NOTE ON THE MIAMI CARD:
I missed the first two matches because of delay in travel from Tampa where I saw the TV Tapings that morning.

NOTES ON THE ABOVE THREE CARDS:
While I was in Florida I attended three fantastic cards. I saw several Champions in action. World Heavyweight Ric Flair, Junior World Heavyweight Les Thornton, Southern Heavyweight Ron Bass and Florida Junior Heavyweight Hector Guerrero. Seeing these champions in action is always a treat, because, these great athletes showed the fans what real champions are made of.

(Continued)

I was also fortunate in that I Saw Dusty Rhodes, Kendo Nagasaki, Kevin Sullivan, Kharma, Billy Jack, Barry Windham and Mike Rotundo, amongst many other very good wrestlers. Seeing these athletes in action is a real treat, because they always give the fans, what they want, Non-Stop Action.

SPECIAL NOTE:
I would like to thank Greg Solie and his crew, making us feel so welcome at the T.V. Tapings in Tampa. After the T.V. Tapings, I met the dean of wrestling commentators, Gordon Solie, who also welcomed me warmly. My friends and fellow wrestling fans, Gerry Norwat and Joel Manison were my companions on this trip. All the cards and places visited were made more pleasureable by their company. We all enjoyed the cards in The "Sunshine State" and would like to return to see many more.

THESE CARDS WERE PROMOTED AND PRESENTED BY CHAMPIONSHIP WRESTLING FROM FLORIDA (C.W.F.), IN CONJUNCTION WITH THE NATIONAL WRESTLING ALLIANCE (N.W.A.)

IN MEMORIUM

The wrestling world in Febuary lost to great stars with the passing of El Santo and David Von Erich.

El Santo the great Mexican wrestler and movie star was considered by many a legend in the sport. His name, also became widespread from the fame he earned as a star in Mexican movies, for many years.

Spinning Toe-Hold also mourns the passing of David Von Erich, who died in Japan in Febuary of this year. David came from a large family of wrestlers and without a doubt, a brilliant future in the wrestling world was cut short all too soon. This young athlete will be missed by all fans of wrestling.

AT THIS TIME WE WOULD LIKE TO THANK OUR CONTRIBUTING CORRESPONDENTS. UNTIL OUR NEXT ISSUE.....
